

Show appreciation to Clay Fire Township

There are COVID-19 cases in our community. In unincorporated Granger, Clay Fire Territory (CFT) first responders show up in ambulances and fire trucks in response to those 911 calls. You can show your thanks by buying them a meal.

In Harris Township, CFT's fire stations are at State Road 23 and Elm Road, and at Bittersweet and Anderson roads. CTF operates out of a total of five stations.

Fire stations are currently limiting access and deliveries to protect the public and first responders, so the best way to show appreciation is by sending a check or gift card.

Your donation will allow the first responders to pick up a meal at their convenience while working, or order for delivery while in

quarantine, which is sometimes necessary.

While money donations provide the most flexibility, gift cards to places like Martin's Supermarkets, Wings Etc. or a pizza restaurant would be put to good use.

The typical ambulance is staffed by two people and the typical fire engine by three people. There are two ambulances and five fire engines, plus a number of support personnel working to keep you safe.

CFT serves Harris Township and Clay Township, comprising the majority of Granger. CFT also serves German Township, Roseland and Indian Village.

For those who are participating in the Granger Community Church #4Michiana #4Michianabingo giving event, you can claim the spot just below the free space on your bingo card.
